

# Ryan King

Breeding, Kentucky | (331) 210 – 4737 | [kingryan1705@gmail.com](mailto:kingryan1705@gmail.com) | <https://www.linkedin.com/in/ryan-king-71752b306/> | <https://github.com/rking1705>

**Certifications:** CompTIA Security+ (Expires 2027), Pursuing CompTIA CySA+

## Education

**Tennessee Technological University, Cookeville, TN**

*August 2026 - May 2028*

B.S. Computer Science: Concentration in Information Assurance / Cybersecurity

**Illinois State University, Normal, IL**

*August 2024 - May 2026*

B.S. Cyber Security (Transferred to TTU)

## Technical Skills

Python • Java • Linux/Windows Administration • Command-Line Tools • Networking • Wireshark •  
Firewalls • Access Control • Security Monitoring • AI/LLM Security • SOC • Penetration testing

## Experience

Geneva High School, Geneva IL – IT Helpdesk Apprentice

*Aug. 2021-May 2022*

- Diagnosed and resolved hardware, software, and network issues to ensure availability for students
- Configured user accounts, permissions, and security settings through Windows and BitLocker
- Maintained detailed documentation while resolving issues through a ticketing system

Taco Bell, Elburn IL – Shift Manager

*May 2024-Aug. 2025*

- Managed operations during peak hours, coordinated team members, maintained strong customer service standards.

## Cybersecurity Projects & Activities

**Security Home Lab** (documented on GitHub)

*Jun. 2026-Ongoing*

- Deployed and maintained a type-1 hypervisor using Proxmox VE
- Configured pfSense virtual firewall with VLAN segmentation
- Deployed Wazuh SIEM on Ubuntu Server for centralized log collection/threat detection
- Pi-hole DNS filtering with network-wide ad and malware domain blocking

**Cybersecurity Club** (ISUSec/Cyber Eagles), ISU/TTU - Member

*Aug. 2024-Present*

- Competing in CTF competitions such as National Cyber League with a latest placement of 1369<sup>th</sup> out of 7,011 competitors
- Participating in live demonstrations of security skills such as DDoS simulations, Reverse Shells, Privilege Escalation, and other security techniques

**TryHackMe**

*Ongoing*

- Achieved Top 2% ranking – Level: MASTER through structured training and hands-on labs
- Completed courses and challenges covering Red/Blue Team, SOC, and AI/LLM Security
